Welcome Portland General to EDAM!

- Portland General (PGE) went live with EDAM October 1st
  - Cutover went very well
  - Day ahead contingency analysis service went live as well
- Critical enhancements needed by PacifiCorp and PGE also went live on October 1st
  - Extended data visibility
  - System functionality improvements
  - Additional enhancements planned for October – December 2026
- First PGE settlement statement published October 14th
- Previous EDAM settlement issues resolved, dispute deadline extended
- Greenhouse gas functionality to support Washington state regulation is set for January 1, 2027

PGE's onboarding to EDAM was smooth and uneventful.
